

Report on Free Dental Checkup in Khyati College of Pharmacy

In continuation of human endeavor by SID Clinic and their staff a free dental checkup and awareness camp was organized on 12th October 2021 at Khyati College of Pharmacy, Ahmedabad. A team of specialist dental staff carried out a comprehensive free dental checkup on students of Khyati Foundation and nearby place.

The camp was initiated during Gyan-O-Pedia (Lecture series) with dental awareness talk, educating students about common dental ailments, especially stressing on tooth decay and gum diseases and measures to prevent from them. The students were highlighted about the eating patterns and food choices which cause tooth decay. Dr. Yash Bhatt was also highlighted about the possible formation of harmful acid which develops when bacteria (plaque) get in contact with sugar in the mouth which ultimately results in tooth decay.

During this free dental checkup camp students of Khyati College of Pharmacy were visited Palodia Gam. There they talked to villagers and gave information related to the oral hygiene and tooth problems. And who were having the minor problem, solved it and tell them how to maintain this for their future.

The students of Khyati Foundation got ample opportunities to interact with the dental team (Dr. Yash Bhatt, Dr. Prajesh Patel, Dr. Merry Patel and Dr. Priya Pattni) to enquire and gain knowledge concerning oral diseases. On completion of the dental checkup each student was given a Patient Card, a report summary of the diagnosed problem and the recommended dental treatment plan with 10% discount coupon.

Organizing committee of this program had a very good arrangement for sitting with following the Covid rules. This was lead in the guidance by Dr. Pragnesh Patani. He is strongly believed that a smile is your unique accessory and pearly white teeth make it even more beautiful.
