

## **GURU POORNIMA CELEBRATION**

On 13th July, 2022, Khyati College of Pharmacy celebrated the auspicious day of Ashadhi Poonam, which is commonly known as Guru Poonima or Vyas Poonima. On this day students organized an event in the auditorium Hall of Khyati College of Pharmacy.

The event was full of surprises and fun. As per Indian culture the event started with Ganesh vandana followed by Guru Poojan. That was such a humbling experience for students and teachers as well. Girls of second semester B. Pharm performed the Ganesh Vandana and a dance. The boys performed a fun drama with a good lesson to take home.

The second half of the event was surprising for all. There were games to be played by teachers. The Principal sir, Khyati college of Pharmacy, Faculty members and Students, not only were present but took active participation in various games.

Faculties along with Principal Sir, participated in all the games and cheered students for their efforts. Students organized and managed the event efficiently.
